

JADRANKA MIJATOVIĆ

Rođena sam 1966. godine u obitelji bez pasa. Razlog zašto sam htjela imati psa, od kada znam za sebe i zašto sam godinama molila svoje roditelje da mi dozvole imati psa, mogu naći možda u činjenici da sam bila jedino dijete u obitelji, te sam u psima vidjela idealne pratioce za sebe. Moj prvi pas došao je kad sam bila stara skoro 17 godina i nije bio cistokrvni pas, ali je bio moj prvi četveronožni prijatelj ...

Kasnije mu se pridružila ženka Dalmatinera, ali moji roditelji i dalje nisu sa mnom dijelili istu strast za psima ... pa sam odlučila da ću imati psa kad ću se osamostaliti ... Tri godine kasnije zajednicki prijatelj upoznao me, s tada već uspješnim uzgajacem Škotskih ovčara, i uskoro sam bila novi vlasnik ženskog steneta ove pasmine i suvlasnik mužjaka, zajedno sa svojim bivšim dečkom. Uzgajivač je bio Denis Sabolić, (DENNISAY'S Collies), koji je na početku bio "samo" uzgajivač mojih prvih Škotskih ovčara i koji je postao moj mentor, moj prijatelj i moj partner kasnije. U vrijeme pisanja ovog teksta, Denis i ja uzgajamo pse zajedno i živimo zajedno već 27 godina sa trenutno 15 pasa i naša dva sina, Filipom i Aleksandarom, starim 6 godina.

Tijekom godina smo uzgojili i / ili posjedovali preko 100 prvaka u sve tri boje i oba spola, uključujući SVJETSKE & EUROPSKE te Internacionalne prvake. Naši Škotski ovčari su bili TOP psi 22 puta, 18 godina za redom ...

Pocela sam vrlo rano izlagati svoje pse na izlozabama pasa i moj prvi spomenuti mužjak, MULTI CH. Dennisay'Forgery, postao je jedan od najuspješnijih Škotskih ovčara u bivšoj

Jugoslaviji.

Zajedno sa Denisom bila sam u maloj grupi od 4 "Profesionalna Handlera", koji smo bili pioniri u toj struci u Europi, a 7 godina sam se izlagala pse raznih pasmina profesionalno sa velikim uspjehom osvojivši brojne TOP pse u njihovim pasminama, mnoge pobjednike FCI Skupina i BIS pobjednika diljem Europe.

Bila sam jedna od osnivača Kluba Britanskih ovčara u Hrvatskoj i član Izvrsnog Odbora 5 godina te Predsjednik Strucne komisije Kluba. Tijekom tog vremena, to je bio drugi najveći pasminski klub u Hrvatskoj s više od 150 članova. Danas sam u Izvrsnom Odboru našeg lokalnog kinoloskog društva pokraj Zagreba, gdje živimo sada. Tokom vremena bila sam uključena u organizaciju nekoliko nacionalnih i međunarodnih izložbi pasa s velikim uspjehom.

I Denis i ja smo nositelji ZLATNE MEDALJE, najvišeg priznanja u Hrvatskom kinološkom Savezu za uzgoj i dostignuća i doprinos u hrvatskoj kinologiji.

Sudac za oblik pasa postala sam 1993 godine i to za Sekciju Britanskih ovčara, a 10 godina kasnije sam dovršila FCI Skupinu I te FCI Skupinu V. Danas sam Međunarodna FCI sutkinja za FCI Skupine I, IV, V, IX i X s dodatnim pasmina u FCI Skupinama II, III i VI.

Tijekom tih 23 godine sam sudila sam u 22 zemlje, također Collie National u Melbourneu, Australija, sto mi je bila izuzetna čast i priznanje kao uzgajacu. Drago mi je i čast da me kao suca čekaju neke dodatne zemlje i kontinenti na mom rasporedu...

Fotografija je moja druga strast, a prošle godine je bilo 20 godina DEYA FOTOGRAFIJE koja je postala sirom svijeta poznati brand i sinonim za fotografije pasa i macaka. Naše fotografije mogu se naći na svim Kontinentima u brojnim časopisima, knjigama, naslovnicama, reklamama, a jedna od njih čak je pronašla svoje mjesto na rodovnicama HKS-a za nekoliko godina.

Bila sam pomoćnik urednika časopisa Moj Pas, Umjetnicki urednik nekih drugih časopisa i urednik i vlasnik DogVision Magazine, (Deya Photography Katalog) koji izlazi od 2007. Pod nasim zaštitnim imenom DEYA bili smo službeni fotografi na mnogim Nacionalnim & Internacionalnim izložbama, na 3 Svjetske i 2 Europske izložbe pasa do sada.

JADRANKA MIJATOVIĆ

I was born in 1966 in non doggy family. The reason why I wanted to have a dog since I remember and why I was keep asking my parents to get me one I can find maybe in the fact that I was the only child in the family and I found the dog the perfect companions for me. My first dog ever came when I was almost 17 years old and that was not the pure bred dog, but however was my first companion...Later on came also the first pure bred, Dalmatian female, but my parents haven't shared my passion...so I decided I will have the dog when I will be on my own...3 years later I was introduced by one mutual friend to already very successful Rough Collie breeder and pretty soon I was the new owner a Rough Collie female and co owner of a male, together with my ex-boyfriend. The breeder was Denis Sabolic (DENNISAY'S Collies), who was "only" the breeder of my first Collies at that time and who became my mentor, my friend and my partner later on. By the time of writing Denis and me are breeding (Dennisay's-Geantles Collie) & living together for 27 years with 15 dogs and our two 6 year old twin boys, Filip & Aleksandar. During the years we have bred and/or owned over 100 Champions in all three colors and both sexes including International, WORLD & EURO Champions. Our Collies were TOP DOGS 22 times, 18 years in a row...

I have started very early with showing dogs and the mentioned male, my first Rough Collie, MULTI CH. Dennisay's Forgery, became one of TOP Collies in ex Yugoslavia. Together with Denis we were the first handlers in the country and a part of a small int. group of 4 pro handlers, who were pioneers in that profession in Europe and for 7 years I was showing dogs professionally with the great success, winning numerous TOP DOGS in their breeds, Groups and BIS winners all over the Europe.

I have been one of the founders of the British Sheepdog Club Zagreb and a member of the Board for 5 years & President of the Breeding Committee. During this time, that was the second biggest breed Club in Croatia with over 150 members. Today I am in the Board of our local KC near Zagreb, where we live now. I have been involved in organization of a couple National and International shows during the time with the great success. Both Denis and me are holders of GOLDEN MEDAL, the highest award in Croatian Kennel Club for our breeding & showing achievements and the contribution in Croatian cynology.

I became a Dog show judge in 1993. My first licensed breeds were British Sheepdogs. 10 years later I have finished the FCI Group I and FCI Group V. Today I am International FCI judge for FCI Group I, IV, V, IX and X with some additional breeds in the group II, III and VI. During these 23 years I judged in 22 countries, also Collie National in Melbourne,

Australia, which was a great honor for me as a breeder. I am glad and honored that as a judge I have some additional countries and Continents in my Schedule ahead...

Photography is my another passion and the last year was 20 years of DEYA PHOTOGRAPHY which became World Known Brand & Synonymous for dog and cat photography - our photos can be found at all the continents in numerous Magazines, books, coverings, adverts and one of them even found its place on official pedigree form of Croatian Kennel Club for a couple of years. I have been also Assistant Editor of Croatian Kennel Club Magazine "Moj Pas", Art director of some other Magazines and owner & Editor of DogVision Magazine, previous DEYA Photography Catalogue, since 2007. We have been official photographers at many Nat. & Int., 3 World and 2 European dog Shows so far.
