Uključen sam u svijet pasa otkad znam za sebe. Počeo sam u osamdesetima sa Jack russell terijerima, počevši sa prvim uvozom iz Škotske i Irske te sam bio uzgajač prvih legala u Austriji 1995.godine dok sam „službeno“ počeo uzgajati 2000.godine kada je pasmina priznata od strane Fci-a. S obzirom da sam bio dosta uključen u rad Parson i Jack russell terijer kluba u austriji uskoro sam položio i ispit za nacionalnog suca te sam nakon tog postao međunarodni sudac za FCI grupu III, IX te neke pasmine iz V. i II. grupe.

Danas sam dopredsjednik Kluba za Parson i Jack russell terijere Austrije i voditelj uzgoja za JRT. Zahvaljujući mojoj profesiji kao suca , pišem u brojnim časopisima , držim seminare te sam uključen u provedbu Zakona za zaštitu životinja, posebice izbjegavanje defekta pri uzgoju , te pomažem u edukaciji za izlaganje pasa pri Austrijskom savezu.

Sudio sam na brojnim nacionalnim i međunarodnim izložbama u sljedećim zemljama: Austrija, Njemačka, Češka, Italija, skandinavske zemlje, Estonija, Mađarska, Rumunjska, Danska, Hrvatska i dr. Također sam sudio Specijalnu izložbu Russel terijera u sklopu Svjetske izložbe u Salzburgu.

Konstantno povećavam svoje znanje te sam jako zainteresiran ne samo za ljepotu pasa već za uljudan i etički način izlaganja i suđenja.

I'm involved in dogs as long as I remember, held so many Jack Russell Terriers beginning from the 80ies, starting with one of the first imports from Scotland and Ireland, breeding the first litters in Austria in 195 and started „officially“ breeding when they had been recognized by FCI in 2000. Being involved in the PARSON AND JACK RUSSELL TERRIER CLUB OF AUSTRIA since that time, I soon passed my exams as national judge for these breeds and later being recognized as international FCI-Group judge for all Terrier Breeds (group 3), Toy and Companion Dogs (FCI-group 9) as well as of some breeds of FCI-group 5 and many specific breeds of FCI-Group 2 (Pinscher, Schnauzer, Molossoides, Mountain Dogs).

Today I am Vice-President of the Parson and Jack Russell Terrier Club of Austria and person in charge for JRT-breeding in Austria; because of my main profession as a judge at our Local High Court I am writing in German magazines about dogs & law, holding seminars about this, very much concerned in realization of nowadays rules about the Austrian Animal Protection Law, especially avoiding breeding defects as well as exaggerations, and helping in the training of show-dog-handling in the Austrian Kennel Club ÖKV.

I've judged at national and international level in Austria, Germany, Czechia, Italy, Scandinavian Countries, Estonia, Hungary, Romania, Denmark, Croatia and others, among this at the Russell Terrier Club Show at World Dog Show 2012 in Salzburg (Austria).

Constantly increasing my knowledge I am deeply involved not only in the beauty of our dogs, but especially in a respectful and ethical way of handling and judging them according to our rules.
