

DANIELE POLTRI

Rođen u Livornu 1966.godine. Prvi kontakt sa svijetom pasa imao sam 1982.godine sa svojim psom Afganistanskim hrtom. Oduvijek sam volio Dobermane, a s obzirom da ih nisam mogao imati kupio sam Patuljastog pinča 1987.godine pod imenom Fireman of Gorgona. Od tog trenutka zajedno sa svojim prijateljem počeo sam uzgajati Patuljaste pinčeve, a kasnije i Majmunske pinčeve.

Tokom godina smo postigli odlične rezultate na izložbama u Italiji i ostalim europskim zemljama.

1997.godine sam položio za suca za Patuljastog pinča, Pinča i Majmunskog pinča. Tek sam 2009.godine odlučio ponovno polagati te sam dosad položio ispit za suca za kompletne grupe II, IV, IX i X, zatim Bracco Italiano, Lagotto Romagnolo i Spinone. Bio sam delegat ENCI-a za Svjetsku izložbu 2015. godine u Milanu.

Born in Livorno in 1966 I had my first contact with the dog world began in 1982 with my first dog an Afghan Hound. Always in love for the Doberman and not being able to have this breed in 1987 I bought one miniature pinscher named Fireman of Gorgona. From that moment I started with my friend still IVO Archibusacci to breed miniature pinscher first and then Affenpinscher by obtaining, with the first, great results and satisfaction in international show in Italy and in other European countries. In 1997 I acquired a license to show judge for Miniature Pinscher, Pinscher and Affenpinscher. Since that time I have not given new tests expansion to other breeds.

In 2009 I started to do new tests in 2016 and now are able to judge the whole group 2, 4, 9 and 10 also the Italian Bracco the Lagotto Romagnolo and Italian Spinone. I was Delegato Enci to WDS in Milan 2015, and I judged International show in Italy and in other European countries.
