

DARKO PETRESKI

Rođen sam 1966. godine u Zagrebu.

Već kao mlad osjetio sam sklonost prema svim životinjama, a posebno prema psima.

U to vrijeme bio sam aktivan u lokalnom Društvu za zaštitu životinja, a i danas u našoj obitelji uvijek ima mjesta za jednog, dva napuštenu psa.

Sa mojih 15 godina u moj život dolazi prvi pas – mužjak Škotskog ovčara s kojim sam ušao u svijet kinologije i od tada sam redoviti član Hrvatskog kinološkog saveza.

U svijet Afganistanskih hrtova ušao sam 1988. godine kada sam nabavio sam svog prvog Afganistanskog hrta iz poznate uzgajivačnice „Chandigarh“ iz Švicarske o taj pas je imao snažan utjecaj na moje viđenje pasmine također i na današnji uzgoj.

Od 1993. uzgajam Afganistanske hrtove pod imenom uzgajivačnice „Celestian“ te sam do danas uzgojio mnogo legala o šampiona.

1993. godine položio sam ispit za suca 10. FCI skupine i do danas sam ostao posvećen toj grupi pasa.

Sudio sam u mnogim Europskim zemljama i SAD-u . uglavnom na specijalkama hrtova što mi je izrazito veliko zadovoljstvo.

Odnedavno uz Afganistanske uzgajam Perzijske hrtove.

DARKO PETRESKI

I was born in 1966, in Zagreb, Croatia.

As a young boy, I felt a great inclination towards animals, particularly dogs.

I was active in the local animal protection society, at the time. Nevertheless, some free space for abandoned dogs can still be found in our family today.

When I was 15, the first dog came into my life - a Rough Collie male with whom I entered the world of cynology and consequently, became a regular member of the Croatian Kennel Club.

The world of Afghan Hounds I discovered in 1988 when I got my first one from the famous Swiss kennel "Chandigarh". This dog has had a great influence on my vision of the breed and on my breeding, even still today.

Since 1993, I have bred many champions from many litters of Afghan Hounds under the kennel name "Celestian".

In 1993, I became a show dog judge for the 10th FCI group and I have been dedicated to this group until today.

I have judged many shows in Europe and the USA, mostly specialty shows, which is a great pleasure to me.

Not so long ago, I also started breeding Salukis along with Afghan hounds.
