

ENRIQUE MATE DURAN

Otkad sam bio dječak, moj život je uvijek bio povezan sa psima.

U ranim sedamdesetima sam ušao u svijet pasa, uzgajivači i ljubitelja pasa.

Terijeri su uvijek bili moja strast. Prva pasmina koju sam nabavio sa bratom bio je škotski terijer.

Tada smo imali prvog STUANE'S od gospodina Mr.Stuart Plane, a nakon toga su došli BRIO'S, WILJOY'S i SCARISTA'S od gospođe Miller i gospodina i gospođe Falconer iz Škotske.

Tokom godina smo uzgajali Škotske terijere i Westije te smo imali engleske prvake koji su se pokazali i kao odlični parnjaci.

Sada smo se više posvetili pasminama poput Sealyham i Cairn terijer, uglavnom švedskih i škotskih linija na kojima zadnjih 15 godina baziramo uzgoj.

Zahvaljujući našem partneru gospodinu Javier Astorga ("KAIFER") također smo vrlo ponosni uzgajati i izlagati Cairn terijere, a sada mi imamo i svoje linije.

Moj život u psećem svijetu je oduvijek bio povezan sa odnosima sa javnošću gdje sam više od dvadeset pet godina surađivao sa sucima iz cijelog svijeta., skupštine FCI-a, Svjetske izložbe, Europske, i druge velike događaje Montgomery ili Westminster, Crufts.. Trenutno provodim vrijeme organizirajući Međunarodne izložbe pasa, i sudeći po cijeloj Europi.

Uvijek rado pomsžem novim uzgajivačima oko rasplodnih planova i odabirom šteneta iz legla.

U posljednjih dvadeset godina, sudio sam u sljedećim zemljama:

Austrija, Belgija, Bugarska, Hrvatska, Češka, Danska, Engleska, Estonija, Finska, Francuska, Njemačka, Irska, Italija, Latvija, Litva, Luksemburg, Norveška, Poljska, (Svjetska 2006) Portugal, Španjolska, Švicarska, Švedska, Slovačka, Slovenja,

Since I was a boy my life was always connected with dogs but it had to be in the UK when I first started to realize that I would be very close to them.

This is early seventys when I got together with the Dog World, dog breeders and dog fanciers.

Terriers have always been my passion and my first breed together with my brother Joseph was a Scottish Terrier.

Then we had our first STUANE'S from Mr. Stuart Plane, and after came...

BRIO'S, WILJOY'S, and SCARISTA'S from Miss Miller and Mr and Mrs Falconer from Scotland.

During so long, We bred Scottish and Westy's and we had a very famous UK Champion that made us feel so happy as he reproduced very good dogs.

We now are closer to breeds like Sealyham as well as Cairn terrier, mainly from Swedish and Scottish lines where we have been breeding for the last fifteen years.

Thanks to our partner Sr. Javier Astorki ("KAIFER") we are also very proud to breed and show fantastic Cairn terriers and now we have our own lines.

My life in the Dog World has always been together with the Public Relations area Where I had to assist for more than twenty five years most important judges from all over the world.

FCI assambleys, World Dog Shows, EDS and other major events as Montgomery or Westminster and thirty three years visiting and helping at Crufts Dog Show.....

At the moment I spend mostly my time organizing International dog shows and judging permanently all over Europe.

Always busy helping new breeders with new breeding plans and choosing the " pic of the litter " for our near future expectations.

In the last twenty years, I have been judging in countries like :

Austria, Belgium, Bulgaria, Croatia, Czech Republik, Danmark, England, Estonia, Finland, France, Germany, Ireland, Italy, Latvia, Lithuania, Luxemburg, Norway,

Poland, (Worl Dog Show 2006) Portugal, Spain, Switzerland, Sweden, Slovakia,

Slovenja, Romania, Russia (EURASIA 2010, EURASIA 2014, EURASIA 2015), Serbia, The Netherlands (European Dog show 2011) etc.

Ukraina..... as well as The Contest of Champions in London last April 2013.
