Rođen sam u Torinu 1948.godine te živim u tom gradu. Pod uzgajačnicom Rufus uzgajam p&s šnaucere od 1980.godine. Korijeni uzgajačnice potječu od prvog šnaucera, crnog srednjog koje sam kupio 1973.godine.

Sa psima iz svoje uzgajačnice sudjelovao sam na brojnim izložbama u Europi te postigao razne titule, od talijanskih do njemačkih bundesiegera i jahresiegera.

Sudačku karijeru sam započeo 1982.godine, prvotno sa Šnaucere i pinčere dok sam nakon toga postao sudac za pasmine druge grupe, jazavčare te petu za koju sam smatran i specijalistom.

Sudio sam na najvažnijim talijanskim i europskim izložbama.

Bio sam i sudac predavač za sve pinčere, šnaucere, leonbergere . Počasni član sam Rotvajler kluba i talijanskog kluba za talijanske pasmine.

Od 1988.godine sam predsjednik talijanskog kluba za Pinčere i Šnaucere.

I was born in Turin in 1948 and live here since then. I have been breeding Salt/pepper Schnauzer since 1980 under "Rufus" nickname, which has its origin on my first Schnauzer, a black medium size one bought in 1973.

With "Rufus" I have participated in the most important European exhibitions as well as achieving numerous titles of Italian beauty champion, and also The prestigious titles and Deutcher Bundessieger of Deutcher Jharessieger.
