

ŽELJKO ŽILNIK

1970.g., odmah nakon učlanjenja postajem aktivan u Boxer klubu te počinjem sa uzgojem Nj.Boxera. Nakon ispunjenih uvjeta, prijavljujem se za sudačkog pripravnika. Ubrzo nakon toga, u organizaciji Boxer kluba vodim prvi tečaj iz dresure (prvo Boxera a zatim i svih ostalih službenih pasa), i postajem predsjednik prve uzgojne komisije kod nas (do tada su bili samostalni vođe uzgoja). Koju godinu nakon toga, odlazim na tečaj u Sloveniju, gdje kao prvi u RH s uspjehom završavam tečaj za voditelje tečaja za školovanje pasa kod J.Hojana, M.Zidara i V.Gerbeka, a. 1973.g. sa uspjehom polažem i ispit za kinološkog suca za oblik, službenih pasa. 1976.g., osnivam (uz podršku nekolicine kolega- R.Korica, S.Kukić, D.i M. Popović, B. Šikić, J.Škavić, D.Kodrnja) kod nas prvi klub za obuku pasa-KOSSP, koji i danas uspješno radi pod istim imenom. Iste te godine prijavljujem i uzgajivačnicu „CRVENI BARON“ pod čijim sam imenom uspio uzgojiti jedne od prvih Jugo i INT CH među Boxerima, pareći isključivo van granica u linijskom uzgoju, (sa psima koji su i danas priznati kao naj jači rasplodnjaci te pasmine), a oko 1980.g. krećem u uzgoj sivih, i prvih bijelih pudla u našoj zemlji, nabavkom rasplodnog materijala iz G.B. 1983.g. dobivam za uzgoj i školovanje Labradore u suradnji sa ondašnjom policijom a nabavljam i Brak Jazavčare za lov i uzgoj sa kojima sam postigao zavidne rezultate kako u uzgoju, tako i una raznim takmičenjima. Nakon odcijepljenja HKS-a od Jugoslavenskog saveza, u jednom kraćem periodu, postajem predsjednik Stručne komisije HKS-a i ostajem aktivan sve do 1991.g., kada sam zbog odlaska na ratište bio prinuđen podijeliti sve svoje pse, osim jedne Labradorke. Po povratku sa ratišta, 1996, uvidam potrebu za osnivanjem Retriever kluba, te uz podršku tadašnjeg predsjednika g. Marka Medara i grupe entuzijasta, isti osnivam i vodim (uz jedan kraći prekid) tri mandata (12.god). 1997. g. od strane Boxer kluba odlikovan sam zlatnom značkom z učestvovanje u radu i napretku kluba tijekom minulih godina i postajem uz g.R. Koricu, doživotni počasni član Boxer kluba. U međuvremenu, od 1996.g do 2002.g. polažem i sudačke ispite za ocjenjivanje eksterijera za III, IV, VI, VII i VIII FCI grupu, kao i ispite za ocjenjivanje rada svih lovnih pasmina pasa. 1999.g. (još u prošlom stoljeću) postajem predsjednik POVJERENSTVA ZA OCJENU OBLIKA I UZGOJ SPORTSKIH I SLUŽBENIH PASA (što sam sa uspjehom obavljao do 2009.g.), a u istom periodu, sve do 2004.g. i bio sam i VODITELJ RODOVNE KNJIGE LOVNIH PASA za RH. U navedenom periodu, nabavljam iz G.B. rasplodnu ženku Labradora, odlazim i dalje na parenja preko granice sve do G.B., te sa uzgojem prolazim već i treću abecedu, sa dosta uspjeha kako u eksterijeru tako i u radnoj kinologiji. U međuvremenu, 2007.g., postajem i doživotni počasni član RKZ-a. Čitavo to vrijeme aktivan sam u radu HKS-a, od učestvovanja u izradi Pravilnika o Stručnom radu do drugih raznih normativnih akata potrebnih za boljitak rada HKS-a, kao i u organizaciji mnogih specijalnih izložbi, kao i radnih takmičenja Retrievera. Isto tako već duži niz godina učestvujem u organizaciji i radu svake CACIB izložbe (pa i Evropske) koje se održavaju u Zagrebu. Više puta sam primio plakete i pohvale za svoj rad u klubovima i Savezu, a 2008.g. odlikovan sam i zlatnom značkom HKS-a za zasluge i rad u HKS-u. Danas sam član nekolicine pasminskih klubova, kao i disciplinske komisije HKS-a. Lipnja mjeseca 2011. postajem i sveopći sudac (ALL ROUND) za ocjenu oblika, te sa time i jedini kinološki sudac u RH koji istovremeno uz all round za oblik, ima položene i ispite za ocjenjivanje rada svih lovnih pasmina pasa.

ŽELJKO ŽILNIK

In 1970, immediately after becoming a member of CKC I become active in Boxer Club and began to breed German Boxers. After obtaining all the requirements, I have signed as a student judge. Soon after that in organization of Boxer Club I was holding first course in dog training (firstly for Boxers and then all other utility breeds), and became president of the first Breeding Commission in Croatia (until then there have been independent breeding managers). Few years later, I have taken a course in Slovenia becoming first person in Croatia who successfully completed a course for training course manager under Mr. J. Hojan, Mr. M. Zidar and Mr. V.Gerbek. In 1973 I passed an exam for a judge for utility dogs.

In 1976, with support of some fellows- Mr. R. Korica, Mr. S.Kukić, Mr. Di M. Popovic, Mr. B. Sikic, Mr. J. Škavić, Mr. D. Kodrnja I was one of the founders of our first club for training of dogs-KOSSP, which is still working successfully under the same name. That same year I registered kennel "Crveni Baron" under whose name I have bred one of the first Yugoslavian and Int.ch Boxers, breeding exclusively out of country in line breeding (with dogs that are still known as the most powerful producers in breed). Around 1980 I began with the breeding of grey and first white poodles in our country by getting breeding material from UK. In 1983 I got for use in breeding and training Labrador in cooperation with the police. Also I got Dachsbracke for hunting and breeding with which I have achieved remarkable results in the breeding and various competitions. After the separation of CKC from Yugoslavian federation, for a short period I was on the position of the president of Expert Commission of CKC. Until 1991 I remained active in cynology but then because of my recruitment I was forced to give away all my dogs except one Labrador female.

After returning from the war, in 1996, I recognizes the need to establish Retriever Club, and with the support of President Mr Marko Medar and groups of enthusiasts, I founded and lead the same (with a brief interruption) for three terms (12 years).

In 1997 I was awarded with a golden badge of Boxer Club for extreme participation in club activities and progress and along with Mr. Radovan Korica I become honorable lifetime member of the Boxer Club. In the meantime, from 1996 till 2002 I passed the exam for FCI Groups III, IV, VI, VII and VIII as well as exams for all breeds of hunting dogs.

In 1999 I became a president of Commission for breeding of utility dogs (I was successfully on that duty until 2009). In the same period, up to 2004 I was pedigree book manager for hunting breeds. During that period I am getting one Labrador female from Great Britain breeding her also with foreign males, passing an alphabet for the third time, with a lot of success in both sports and the working cynology. Meanwhile, in 2007 I became an honorable life member of Retriever Club. All this period I was active in the work of CKC, from participating in drafting of Regulations of Expertise Work to variety of other normative acts of CKC, as well as in organization of many specialties and trials of Retrievers. For many years I am participating in the organization of each CACIB Zagreb (and European shows which was held in Zagreb). I've received number of diplomas and praises for my contribution in clubs and Kennel Club who awarded me with the golden badge in 2008 for merit and work.

Nowadays, I am a member of various breed clubs as well as of the Disciplinary Committee of CKC. In June of 2011 I became an all-round judge which is making me being the only judge in Croatia having both all round title and judge for work of all hunting dogs.
