

## MIRO ZLOJUTRO

I was born on 26 of February 1969 in Sisak. I become involved with cynology in 1986 when I bought my first female toy apricot poodle, start her showing and began being active in organization of shows in Croatia as a ring steward and translator. Soon after that, I registered my kennel "Divine Present". First poodle (toy apricot) which obtained all requirements and was registered as a Croatian champion after the separation of the Croatian Kennel Club from Yugoslavian Kennel Club was from my breeding and ownership..

I became a judge in 1992, in the beginning only for Poodles, shortly after for all other breeds from FCI group IX (which then included Dalmatian, as well as Peruvian and Mexican Hairless dog) and FCI group X. For several years I was on function of general breeding conductor for the FCI Group IX on state level of CKC.

As a judge I was engaged in Croatia, Slovenia, Italy, Austria, Germany, Belgium, Sweden, Finland, etc.

## MIRO ZLOJUTRO

Rodjen sam 26.02.1969. u Sisku, kinologijom se pocinjem baviti 1986. kada nabavljam prvu zenku patuljastog apricot pudla te pocinjem izlagati i biti aktivan u organizaciji izlozbi u Hrvatskoj u svojstvu voditelja kruga i sudackog prevoditelja. Uskoro registriram uzgajivacnicu "Divine Present" koja je uzgojila i posjedovala prvog pudla (takodjer patuljasti apricot) koji je ostvario uvjete i registriran je kao Hrvatski sampion u ljepoti po odvajanju HKS-a od JKS-a. Sucem za oblik postajem 1992. kada polazem sudacki ispit za pasminu pudl, nedugo nakon toga polazem ispit za ostale pasmine u FCI grupi IX (koja je tada ukljucivala dalmatinskog psa, kao i peruanskog i meksickog golokozog psa), a potom i sudacki ispit za FCI grupu X. Nekoliko godina obnasao sam funkciju drzavnog voditelja uzgoja za FCI grupu IX pri HKS-u.

Kao sudac bio sam angaziran u Hrvatskoj, Sloveniji, Italiji, Austriji, Njemackoj, Belgiji, Svedskoj, Finskoj itd.
