

Sigrid Jarmer

Prvi put sam došla u kontakt sa psima pasmine Koker španijel. Trenirala sam pse za lov i vodila ih na mnoge izložbe. Poslije nekoliko godina postala sam sudac za španijeke a potom za cijelu FCI skupinu VIII 1980.godine. Nakon toga sam se zaljubila u Labrador Retrivere i od tog trenutka radim i idem u lov sa tim prekrasnim psima. Sada sam sudac za FCI grupe IV, VI, VII, VIII i mnoge pasmine grupe II. Imala sam čast suditi razne izložbe u mnogim zemljama, od kojih bi izdvojila i Scjetske izložbe te izložbe Europske sekcije. Predsjednik sam Austrijskog Retriver kluba i glasnogovornik sam za Retrivere u Austriji.

I first got in contact with Cocker Spaniels. I trained my dogs for hunting and showed them also on many shows. After several years I became a judge of Spaniels, then for the entire FCI group VIII. This was in 1980. Then I fall in love with Labradors and since then I worked and hunted with these lovely dogs.

Now I am approved to judge FCI- groups IV, VI, VII, VIII and many breeds of group II. I have had the honor to judge on many shows in several countries, especially on World Dog Shows and European Section Shows.

I am the president of the Austrian Retriever Club and I am the one who takes care of the public relations for Retrievers in Austria.
