

Vibor Ježek

Rođen sam 1951. godine u Zagrebu te sam od malih nogu imao psa uz sebe. Sudac sam postao 1979. godine dok sam all round sudac unazad par godina. Moja velika ljubav oduvijek su bili Bokseri koje sam pod uzgajanicom Wayk i uzgajao dok trenutno imam jednog Boston terijera. Sudio sam na mnogobrojnim izložbama unutar Hrvatske i u inozemstvu, te sam na velikom broju njih bio sudac upravo za BIS.

I was born in 1951 in Zagreb, and from an early age I had a dog with in my house. I became a judge in the 1979 while I am all round judge over the past few years. My great love have always been Boxers which I have bred under my kennel name Wayk while at the moment I have a Boston Terrier. I judged at numerous shows in Croatia and abroad, and on a large number of them I was BIS judge.
