

Zlatko Kraljić

Rođen sam 1945.g. Uzgojem čistokrvnih pasa počeo sam 1961. sa pasminom njemački boxer. Uzgojio sam veliki broj štenaca, različitih pasmina od kojih su nekoliko desetaka njih postali nacionalni i internacionalni šampioni. Sada uzgajam patuljaste i velike šnaucere, zlatne retrivere i shih-tzu-e.

Sudac sam postao 1969.g. i to prvo za pasminu njemački ovčar, a 1990. postao sam all round sudac.

Sudim na engleskom i njemačkom jeziku.

I was born in 1945. With breeding of purebred dogs I began in 1961 with German boxers. I bred a large number of puppies of different breeds (large number of them have become national and international champions). Now I am breeding Dwarf and Giant Schnauzers, Golden Retrievers and Shih-tzus.

I became a judge in 1969, first for the breed German Shepherd. In 1990 I became an all round judge. I can judge both in English and German.
