

## MIRJA LAPANJA (SLO)

I was born in 1973 and I live in Ljubljana.

All my life has been connected with dogs, first we were breeding English Cocker Spaniels, then Great Danes and Chihuahuas.

In 1992 I bought my first Airedale Terrier and since then my heart belongs to that gorgeous breed. Under my kennel prefix »Shadow of Aire« 33 litters were born in those years. I have bred more than 100 Champions of many countries, including World and European winners.

In 1999 first Border Collie joined our family. I have them mainly for Agility and I breed them very occasionally.

I am a licensed FCI International judge for FCI Groups 2 and 3 and for Agility. I have judged many International, National and Specialty show all around Europe. Besides I am also a member of Breeding committee of Slovenian Terrier Club and a member of Breeding committee for Schnauzer and Pincher in Slovenia.

# BIOGRAPHY

Rođena sam 1973. godine te živim u Ljubljani.

Sav moj život je bio povezan sa psima, prvotno smo uzgajali Engleske koker španijele, zatim Njemačke doge te potom Čivave.

1992. godine sam kupila svog prvog Erdel terijera i od tada moje srce pripada toj predivnoj pasmini.

Pod prefiksom moje uzgajateljice »Shadows Of Aire« uzgojeno je ukupno 33 legla od kojih su 100 štenaca šampioni raznih zemalja, uključujući i svjetske te europske tiule.

1999. godine prvi Graničarski Collie se priključio našoj obitelji. Njih uglavnom imam za agility, a uzgojem se bavim veoma rijetko.

Licencirani sam FCI sudac za FCI grupe II i III te za Agility. Sudila sam na mnogim međunarodnim, nacionalnim i specijalnim izložbama diljem Europe. Također sam član Odbora za uzgoj Slovenskog terijer kluba i član Odbora za uzgoj Kluba za pinčere i šnaucere Slovenije.
