

PIETRO MARINO

Rođen sam 1958.godine u Caserti te živim u tom mjestu i sada. (25 km od Napulja). U ovom mjestu se nalazi stara kraljevska palača – najveća u Europi te staro selo koje datira još iz 12.stoljeća.

Radim u državnoj administraciji svog mjesta. Osim toga, predajem Judo od 1987., a Judoku od 1972.godine, što smatram svojim hobijima uz motore.

Uzgajam crne velike šnaucere od 1978.godine pod uzgajalicom Casa Hirta (što je stari latinski naziv za Casertu). Obnašam funkciju delegata kinološkog saveza za moju regiju. Bio sam tajnik svog regionalnog kluba punih 17 godina (1981-1998) te tajnik talijanskog kluba za šnaucere od 1992. do 1995.godine.

Postigao sam zaista iznimne rezultate na izložbama kao i na brojnim ispitima , pa tako mogu izdvojiti talijanski šampionat, klupske šampionate, mladi svjetski šampionat.

Uključen sam i u organizaciju nekih izložba pasa kao i u trening pasa.

Sudac sam od 2000.godine te sudim II., IV, X FCi grupu te neke pasmine I, III, V, VII, VIII i IX FCi grupe.

2010. godine sam napisao knjigu Komentar uz standard Šnaucera te se zaista veselim suđenju u Zadru

I was born in 1958 in Caserta and I live in Caserta, a city near Naples (25 km far from it). Here is sited the Royal Palace of Borbon's kingdom, the biggest one of Europe, and the old village of the 12th century.

I work in my city for Public Administration. Besides I'm also a teacher of Judo since 1987 and Judoka since 1972, it's another of my passion-hobbies, as well as motorcycles.

I breed black-Riesenschнауzer since 1978, named "Casa Hirta" (that is the latin name of old village Caserta). Nowadays I'm the club-delegate of my region. I have been Adviser of Club of my city for 17 years, since 1981 to 1998; I have been Adviser of the Italian Schnauzer Club for 3 years, since 1992 to 1995. I took important results in expositions of beauty as well as in dog-training tests, for example Italian Champion, Italian Schnauzer Club Champion, ISPU champion, Young World Champion. I often organize lots of beauty expositions, as well as of dog-training.

I judge since 2000. I judge the breeds of the 2nd group, the 4th group, the 10th group, some breeds in the 1st group, the 3rd, 5th, 7th, 8th and the 9th, which you can read ENCI the website (if you want, I can send a detailed list).

I wrote a book in the 2010 : a commentary on the standard schnauzer
I was really glad to judge in Zadar.
