

ADRIAN ARGENTE

Rođen u Granadi, prvi put uveden u svijet pasa prije više od 35 godina. Moj prvi pas bio je njemački ovčar ne pretjerano dobre kvalitete. Uskoro sa prijateljima, počinjem se baviti selektivnim uzgojem lovačkih pasa. Imali smo Pointere, Epagneul Bretone, Burgos Pointere a također i prvog Dobermana. Uvijek sam imao i jednog Rotvajlera kao čuvara.

Nakon kontakta sa službenom kinologijom moje aktivnosti bile su podijeljene u tri glavne grane: rukovodeće pozicije, uzgajivačke i sudačke.

Kao menadžer, bio sam jedan od osnivača i prvi predsjednik Kinološkog društva Istočne Andaluzije. Nakon razdoblja odmora i na različitim položajima Uprave, opet sam se vratio na poziciju predsjednika. Pet godina sam bio delegat Španjolskog kinološkog saveza za španjolske autohtone pasmine i član Odbora sudaca više od 4 godine.

Organizirao sam brojne izložbe, nacionalne i međunarodne. Nekoliko godina sam bio zamjenik voditelja izložbe u Madridu, kao i na Svjetskoj izložbi u Valenciji.

Kao uzgajivač sam imao mnogo pasmina, ali najviše šampiona sam imao u Epanjel Bretonima, Špringerima i od nedavno u Standardnim oštrodlakim jazavčarima.

Kao sudac, sudio sam na nacionalnim, međunarodnim, europskim i svjetskim izložbama kao i specijalnim izložbama mnogih pasmina. Sudio sam u cijeloj Europi i Južnoj Americi u Argentini, Meksiku, Brazilu, Venezueli i Japanu.

Španjolski kinološki klub me proglasio all round sucem 2005.godine.

Born in Granada, was first introduced to the world of dogs more than 35 years ago. My first dog was a German Shepherd of not a very good quality. Soon, with other friends, we are engaged in more or less selective breeding of hunting dogs. We had Pointer, Epagneul Breton, Burgos Pointer and also my first and not so good Doberman. In my house, there was always a Rottweiler for guard.

After the contact what we might call "Cinofilia Official" my activities were divided into three major branches: management positions, breeder and judge.

As a manager, I was a founding member and first president of the Canine Society of Eastern Andalusia. After a period of rest and another in different positions of the Board, I return again on position of a President. I have been for five years a delegate of Spanish kennel club for Spanish native breeds and a member of the Committee of Judges for over 4 years.

I have organized many exhibitions, both national and international. I have been for several years Deputy Commissioner General of the Show of Madrid, as well as of the World Dog Show in Valencia.

As a breeder I have had many breeds, but I bred Champions in Epagneul Breton, Springer Spaniels and recently, standard wirehaired dachshund.

As a judge, I have judged National, International, European and World Show as well as Monográficas of many breeds. I have judged throughout Europe and in South America in Argentina, Mexico, Brazil, Venezuela and Japan.

Spanish Kennel club declared me as an All Round Judge in 2005.
