LIUDMILA NIKITINA

Rođena sam i živim u Moskvi. Studirala sam na Institutu za Edukaciju. Za pse sam se zainteresirala još u vrijeme dok sam studirala.

Moj prvi pas nije bio čistokrvan no bio je veoma pametan i simpatičan. Prvi čistokrvni pas kojeg sam kupila bio je Borzoi. Nakon što sam vidjela sliku u knjizi, zaljubila sam se u Bedlington Terijere te sam ih počela i uzgajati. Moja ženka je bila pobjednica prvog BIS-a u Sovjetskoj Uniji.

Položila sam sve ispite vezane uz kinologiju u to vrijeme te postala sucem. Svoju edukaciju sam nastavila kroz sljedeće godine dok nisam postala sudac za sve pasmine te se za svu pomoć iznimno zahvaljujem svim ruskim i stranim sucima.

Sudila sam u Rusiji i u velikom broju zemalja.

I was born and live in Moscow.
Studied at the Institute of Education.
Interested in dogs when was a student.

My first dog was not a breed, but a very smart and sweet.
When it became possible to seriously address the dog breeding, dogs became the first Russian Borzoi
After seeing the photo in the book Bedlington Terrier is very interested in this breed and among other enthusiasts was engaged her breeding.
My Bitch Bedlington Terrier won the first Best in Show in the Soviet Union .

Completed all courses canine that existed at the time and received the title of the primary expert.
Studied with many Russian and foreign experts, for which they are very grateful.
To date, an expert on all breeds FCI.
Judged in Russia and in many other countries.
