I was born in 1956 in a family which was fond of animals, especially dogs. I grew up with English Setters, Croatian Sheepdog and German Hunting Terriers.

I entered in the „dog world“ in 1990 with a female of Airedale Terrier. We have passed a long journey, from our clumsy beginnings until the veteran winnings.

I got my judging licence in 1996. So far I have judged many specialty, national and international shows in couple of European countries.

I have been involved in the work of Terrier Club Zagreb since its foundation in 1992, having various functions in it, including presidential and the one of breeding manager.
