

## LINDA VOLARIKOVA

Svog prvog psa sam dobila 1989.godine, pasmine Engleski špringer španijel te sam od tada uključena u sve što se tiče pasa. Pobijedila sam na prvenstvu za Spasilačke pse sa tim Špringerom u Slovačkoj te smo se čak okušali i u agilityju.

Moj prvi izložbeni pas bio je Američki koker španijel kojeg sam kupila 1991.godine. Nisam baš postigla s njim puno uspjeha na izložbama no toliko sam se zaljubila u ovu pasminu da ih i dan-danas uzgajam i izlažem.

Pod imenom svoje uzgajavnice LAYTON uzgojila sam 35 šampiona, uključujući 19 Internacionalnih šampiona i BOB na Svjetskoj izložbi. Imala sam jedno leglo Dobermana od moje voljene ženke Petra z Tomky, sa kojom sam također aktivno radila.

Počela sam suditi 2002. godine, a prva pasmina koju sam položila je bila naravno Američki Koker Španijel. Od tada sam položila 30-ak pasmina te sam imala čast suditi u 14 zemalja Europe. Volim suditi i junior handling zbog toga što zaista cijenim predanost mladih ljudi psećem svijetu. Dio sam organizacijskog tima jedne od najstarijih međunarodnih izložbi u Slovačkoj već nekoliko godina te uživam posvećujući vrijeme ovom zanimljivom radu.

I got my first dog, an English Springer Spaniel, in 1989, and I have been deeply involved with everything concerning dogs ever since then. I won the search and rescue championship in Slovakia with this Springer and we also tried agility.

My first show dog was an American Cocker Spaniel just two years later. Didn't have much success with him, but fell in love with this breed so much that I breed and show them till the present time. Under my prefix LAYTON, I have bred 35 champions, including 19 Interchampions and a World Show Best of Breed. I have also bred one litter of Dobermanns out of my beloved bitch Petra z Tomky, with which I also actively worked.

I started judging in 2002, my first breed was, of course, the American Cocker Spaniel. Since then I am approved to judge over 30 other breeds and I have been honoured to judge in at least 14 European countries. I like judging also the junior handling competition, as I very much appreciate the devotion of the young people to the dog world.

I have been a part of organizing team of the oldest international dog show in Slovakia for several years and enjoy devoting my time to this interesting work.
