

ROBERT KANÁS

Rođen sam 1977.godine. Cijeli moj život je povezan s ljubavi prema životinjama, posebno psima. Moj prvi pas je bio Oštrodlaki jazavčar, kasnije je došao Češki Terijer, Skye terijer, Zapadnoškotski bijeli terijer, također sam u suvlasništvu imao Američkog Koker Španijela, Bobtaila, Irskog Terijera i Newfoundlanda. Pod predznakom uzgajavnice Flanagan sam uzgojio nekoliko prekrasnih pasa koji su postigli zapažene rezultate - prvaci mnogih zemalja, Internacionalni šampioni, Europski (mladi i zreli) šampioni, Vice-europski, Svjetski i Vice-Svjetski.

Danas uzgajam Skye terijere, a zajedno sa svojom ženom Martinom i Zapadnoškotsko-bijele terijere pod njenom uzgajavnicom Sunshine Celebration. Psi iz obe naše uzgajavnice su po cijeloj Europi, Americi, Australiji i Aziji.

U „pseći“ svijet sam ušao prije 20 godina, prvotno kao izlagač svojih pasa a potom kao handler i groomer drugih pasa.

Danas sam međunarodni sudac za sve pasmine FCI grupe III i nekih pasmina iz skupina I, VIII i IX. Sudio sam mnoge međunarodne, nacionalne i specijalne izložbe u navedenim zemljama: Slovačka, Češka, Mađarska, Poljska, Litva, Latvija, Slovenija, Belgija, Francuska, Nizozemska, Njemačka, Rusija, Srbija, Švicarska, Rumunjska, Finska, Danska i Norveška, a od ovih većih izložbi imao sam čast suditi Svjetsku izložbu 2009. godine i Europsku 2011.godine. Također često sudim i Junior Handling.

Godinama sam bio član Odbora Slovačkog kluba za Terijere i Foksterijere a sada zajedno sa svojim timom organiziram izložbu Grand Prix Slovakia i Derby Winner Show.

I was born in 1977. All my life has been connected with the love of animals, especially dogs. The first one was a Wirehaired Dachshund, later on came a Cesky Terrier, Skye Terrier, a West Highland White Terrier, also in co-ownership an American Cocker Spaniel, a Bobtail, an Irish Terrier and a Newfoundland. Under my prefix Flanagan I have bred several outstanding dogs and bitches – champions of many countries, interchampions, european winners, european junior winners, vice-european winners, vice-world winners and world winner. Today I still breed the Skye Terriers and with my wife Martina also the West Highland White Terriers under her prefix Sunshine Celebration. Dogs from both our kennels are all over Europe, America, Australia and Asia.

I have entered the world of dog shows some twenty years ago, first as an exhibitor of my own dogs, later on as a handler or groomer of other breeds.

Today I am an international judge for all breeds of the FCI group 3 and some breeds from groups 1, 8 and 9. I have judged many international, national and specialty shows in Slovakia, Czech, Hungary, Poland, Lithuania, Latvia, Slovenia, Belgium, France, Holland, Germany, Russia, Serbia, Switzerland, Romania, Finland, Denmark and Norway, from the most important shows I should mention the FCI World Dog Show 2009 and FCI European Show 2011. Very often I judge Junior Handling.

Through the years I have been a member of the board of the Slovak Terrier and Fox Terrier club, and nowadays I organize a prestigious international dog shows Grand Prix Slovakia and Derby Winner Show with my team.
