

Rođena sam 1978.godine u Rijeci, u obitelji ljubitelja pasa. Uvijek smo imali pse, i nekako je naš izbor stalno bio neki španijel, uglavnom Engleski koker španijel. Zaljubila sam se u izložbe pasa i u izlaganje. S obzirom da smo imali englesku pasminu, prilično sam se interesirala za englesku pseću scenu. 1991.godine BIS na Crufts-u dobio je pas jedne pasmine koju dotad nikad nisam vidjela. Bio je to Klamber španijel, pas koji je od tog trena osvojio moje srce i tako je sve počelo.

1993.godine uvezli smo prvog Klamera iz Engleske, a vrlo brzo sam ja nastavila svoj studij upravo u Engleskoj te sam usput stekla iskustvo u poznatoj uzgajalnici »Belcrum«. Dok sam bila u Engleskoj sudjelovala sam na skoro svim izložbama, natjecanjima, ispitima vezanim za španije i retrievere.

Otada sam veoma aktivna sa psima kako kod kuće, tako i u inozemstvu. Psi u mom vlasništvu su bili veoma uspješni te imaju mnogo osvojenih titula, plasmana i BIS-eva.

2010.godine u moj život ulazi još jedna nova pasmina, iz skupine kojoj sam se oduvijek divila. To je Mađarska vižla, pasmina koja se po mnogočemu razlikuje od Klamera, ali i pasmina koja će uvijek imati posebno mjesto u mom srcu.

Dopisnik sam engleskog Klamber španijel kluba već godinama. Od 2000. do 2006.godine bila sam predsjednik SKK Rijeka dok sam poslije bila u Izvršnom odboru kluba. Također sam pomogla u organizaciji Međunarodnih izložbi u Rijeci.

Kao krunu mojih kinoloških aktivnosti navela bih polaganje ispita za kinološkog suca čime sam otvorila jedno sasvim novo poglavlje – suđenje.

I was born in 1978. in Rijeka, in a family of a dog lovers. We have had dogs from my childhood, and somehow we were stuck with Spaniels, English cocker spaniels. Immediately I have fall in love in a dog shows and dog handling. As we had a British breed, I was very much concentrated in a British dog show scene. In 1991., BIS at the world famous dog show Crufts, won a dog of a breed that I have never seen before, Clumber Spaniel.

It was that dog who won my heart, and my story has begun. In 1993. we have imported our first Clumber spaniel from England, soon after that, I have moved to England to finish my education there and to gather experience in a world famous Clumber Spaniel Kennel »Belcrum«. While I was staying in England I have participated almost all Championship Dog Shows, most Open Shows, Game fairs and Field trails for Spaniels and Retrievers.

Since than I am active with my dogs on all dog show levels, at home and abroad. My dogs have won many national and international titles, group placements and BIS.

In 2010. another breed come into my life, from a group of dogs that I have always admired, that are pointing dogs. My special friend, Vizsla, imported from England, a breed so much different from a Clumber spaniels, but a breed wich will always have a special place in my heart.

I have been a correspondent of the Clumber Spaniel Club of GB for many years. From 2000. – 2006., I was a president of our local kennel club, SKK Rijeka, after, I was a member of executive committee. I have helped in organizing International Dog Shows in Rijeka.

A crown of my achievement is passing a judging exam, and a start of this lovely new experience, judging dogs.
