

Imam 65 godina i rođen sam u Forno di Zoldo, malom selu u Dolomitiju, području poznatom u svijetu po planinama. Uvijek sam imao pse u svom životu, još kao dijete kad sam se pridružio svom ocu u lovu, a kasnije sam i sam postao lovac, prvo sa goničem a zatim sa ptičarom. Prvotno sam uzgajao Njemačke kratkodlake ptičare pobjeđivajući na izložbama sedamdesetih godina. Moja velika ljubav za njemačke pasmine se počela pokazivati te sam uskoro počeo uzgajati i Njemačke dugodlake ptičare, neki su postali veoma važni na izložbama i u lovu. Prvi sam uvezao Njemačkog dugodlakog ptičara u Italiju i bio vlasnik prvog takvog šampiona. Mnogo mi se sviđaju i Njemački oštrodlaki ptičari no ne uzgajam ih a inače sam uvijek i proučavao čistokrvne pse.

Počeo sam suditi 1979, prije više od 30 godina. Sada sam all-rounder sudac od 2004. Bio sam delegat Talijanskog saveza u CID-u, (njemački oštrodlaki ptičar), a bio sam i član odbora čistokrvne rodne knjige saveza. Sada sam u FCI odboru sudaca. Volim pisanje članaka o psima i sam sam napisao za najpopularnije talijanske pseće magazine, te također 12 knjiga i napravio video.

Sviđa mi se lov i hodanje po planinama te fotografiranje prirode. Sada, sa suprugom Manuelom uzgajam jazavčare, sa dobrim uspjehom na izložbama, mnogi psi su već šampioni.

Već sam sudio u svim zemljama Europe, u Argentini, u Rusiji, u Meksiku, u Venezueli, SAD, Australiji i Južnoj Africi, Japanu, Kini. Sudio sam na Europskoj izložbi u Mađarskoj, Hrvatskoj, Sloveniji, Nizozemskoj, Rumunjskoj, Švicarskoj, Češkoj, Norveškoj. Od

svjetskih sam sudio one u Švedskoj, Slovačkoj, Danskoj , Austriji, Budimpešti, Helsinkiju, Milanu te Moskvi.

Sudio sam i na Cruftsu 2010.godine.

I'm 65 years old and I was born in Forno di Zoldo, a little village in the Dolomiti, a fine area known in the world for its mountains. In my life I have always had the dogs as my companion: when I was a child and I joined my father in the hunting and later when I became an hunt, before with a hound, later with a pointing dog, but never without a dog. I have breed at first the German shorthaired pointer, winning in the show competitions. It was 70s! My great love for the German breeds did know to me also the German longhaired pointer and I started to breed them; some of them become important in the show competitions and in the hunt. I was the first Italian breeder who imported the German longhaired pointer into Italy and I had the first Champion in Italy of this breed. I have many interests also for the German wirehaired pointer, but only as a lover and not as a breeder. I have always studied the pure dogs and **I began to judge in the 1979. Now I am All Rounder since 2004.** I was a delegate of the Italian Kennel Club in the C.I.D., (German Wirehaired Pointer dog) and was also a member of the pure breed book of the Italian Kennel Club. I was in the Italian Kennel Club Committee and in the Italian Judge Committee. Now I am in the FCI Judges Committee. I like writing articles regarding the dogs and I have written on the most popular Italian dogs' magazine and I have also written 12 books and I have made a video. I like the hunt and walking on the mountains and photographing the nature. With my wife Manuela I'm breeding dachshund, with a good success, with many show champions. I have already judged in all Europe countries, in Argentina, in Russia, in Mexico, in Venezuela, Usa, Australia and South Africa, Japan, Cina. I have judged in the European Dog Show in Hungary, Croazia, Slovenia, Oland, Romania, Switzerland and Czech Republic in 2014 and in Norway in 2015.

I have judged in the WDS in Sweden, Slovacchia , Denmark, Austria, Budapest, Helsinki in 2014, Milan 2015 and Moscow 2016..
