

- Predsjednik Irskog kinološkog saveza
- Predsjednik Društva Irskih pasmina
- Konzultant QQI
- FCI Sudac za sve pasmine
- Delegat IKC-a pri FCI-u

Sudio sam u više od 50 zemalja na svim kontinentima, uključujući Svjetske I Europske izložbe, Crufts, Eukanuba Challenge, Ameriku I Kanadu.

Obiteljska uzgajnica "Shillelagh" (1950) je jedna od najuspješnijih uzgajnica terijera u Irskoj koja je konstantno imala najuspješnije terijere, top pse, top parnjake.

Osobno sam radio na promociji Irske kao domaćina Svjetske konferencije 1996.godine te FCI Europske Winner izložbe 2009.godine te trenutno promoviramo Irsku kao moguću destinaciju za Svjetsku izložbu 2021.godine.

Također se trudim što više promovirati irske pasmine pasa.

Uključen sam I u rad za dobrobit životinja zajedno sa brojnim veterinarskim grupama sa posebnim interesom za pomoć psima.

'Cijeloživotna strast za pse i način na koji obogaćuju naše živote je moj pokretač "

- President ,Irish Kennel Club
- Chairman, Irish Breeds Society
- Consultant to state best practices body QQI
- FCI All Breeds International Judge
- IKC delegate to Federation Cynological International

I have Judged in over 50 countries in all Continents, including FCI World and Section Shows, Crufts, Eukanuba World Challenge, USA and Canada.

My family prefix, 'Shillelagh' Kennels (1950), is one of the most successful terrier kennels in Ireland achieving Top Dog (All Breeds), Top Breeder, Top Sire, and has consistently produced top winning terriers in Ireland over the years.

I personally made the successful pitch for Ireland as the host of The World Conference of Kennel Club in 1996 and The FCI European Winners Dog Show 2009 and I am currently presenting Ireland as the venue for The FCI World Show in 2021

I also have a lifetime commitment to promoting the breeds of Irish origin.

Nationally, I would be associated with animal welfare and veterinary groups with particular interest in all type of assist dogs.

'A life time passion for dogs and the way they enrich our lives is my driving force'
